One time donations, regular monthly support or the sponsoring of canes and audio Bibles can be sent to:

P.O. Box 66872

Scotts Valley, CA. 95067-7361

If you would prefer to receive an electronic version the Global Cane Outreach newsletter, please leave us a message on our Facebook page and we will make the switch. As always, our newsletters can be found on the Global Cane Outreach website.

Hello!

I would like to start by expressing my deepest appreciation to everyone who has supported Global Cane Outreach over the past year. The ministry is truly blessed and, as a result, has been to and will continue to be able to bless others as God leads in the coming year.

Since the last newsletter, Global Cane Outreach focused its attention on preparing for the first annual fundraising dinner. On October 10<sup>th</sup>, Global Cane Outreach hosted this event at Felton Presbyterian Church in Felton California. It was an overall success; described by many who attended as a wedding celebration and reunion. That is truly how I felt it went and could not have been more pleased with the outcome. Our out-of-state board member, Michael Graham and wife Linda, joined us from Idaho. He shared in the event as one of our speakers, touching on the presence of blindness throughout scripture. Chairman of the board, Mike Snyder, operated as the MC for the evening and I, Bevie, shared about Global Cane Outreach's purpose and direction. Overall, the dinner raised over \$6,000. This could not have happened without the dozen or so volunteers we had helping to make the night run smoothly. They worked tirelessly to plan, set up, serve and clean up the entire event. The evening could also not have happened without the support from corporate sponsors and donations from EXL Prints, US Foods, Farmer Brothers Coffee, R & K Distributors, Martinellis and Driscolls. Thank you also to those who sponsored tables; I can say confidently that this event could not have happened without you either. So again, thank you to all who helped make this evening possible (in the side bar are a few select photos from the evening).

As Global Cane Outreach looks ahead into the coming year, we are excited about the many opportunities and directions God is leading us towards. As the board looks at the many requests that have surfaced in the past couple of months, we have honed in our focus on South America. Currently we are looking and praying into outreach opportunities in Guatemala and Bolivia, along with continued support to Peru and Mexico. In these areas, we are looking at the possibility of sending small teams where we could personally deliver canes and audio Bibles, as well as teach mobility training to missionaries and workers stationed in these places. I would ask that you join us in prayer as we seek the Lords' timing and provision in all of these ventures. In February, Mike Snyder will be heading to South Africa once again and will bring with him canes and audio Bibles on behalf of Global Cane Outreach to the people working in both Kwa Zulu Natal and Durban. Pakistan has also been on the heart of the board and we ask that you pray specifically for guidance in this area; what to do, for whom and how.

I am excited about what the Lord has and will do through Global Cane Outreach and am looking forward to the stories to come in the next year.

In closing, I and the entire board would also like to wish you all a blessed holiday season as Thanksgiving, Christmas and New Year's approaches us in the coming months. May God continue to meet and provide for all your needs just as He has done for us and so many others this year.

In Him,  
Bevie

November 2015
