If you would prefer to receive an electronic version the Global Cane Outreach newsletter, please leave us a message on our Facebook page and we will make the switch. As always, our newsletters can be found on the Global Cane Outreach website.

Hello,

As the year passes, Global Cane Outreach has continued to grow and the board of directors would like to thank everyone who has begun and who has continued to support GCO through prayer, words of encouragement and financial donations. Everything given has been used to bless those with little to no vision, as well as spread the good news about Jesus. Secondly, the board of directors would like to introduce the newest member of the board to you: Donna Kimball. She is a friend in the Santa Cruz area. She, too, is visually impaired and shares a passion for others with vision loss as well as for fundraising. As Global Cane Outreach continues to expand, the board of directors has recognized a need for establishing routine fundraising opportunities. Donna will be stepping onto the board of directors with the main purpose of spearheading all fundraising opportunities and events. We are glad to have her on board.

In other news, a newly established connection GCO has is with Matthew & Erin Jepson. Matthew and Erin have an adopted daughter from Ethiopia who is blind. God has placed it on their hearts to reach out to the blind in Ethiopia and now Matthew is partnering with Berhanu Belay, director of Together! Ethiopia and Zena Wengel Ministry. He has delivered supplies to the school for the blind in Sebeta. Twenty of the canes Matthew brought with him were given to him by Global Cane Outreach. (See the bottom picture on the left).

Global Cane has also been able to further the relationship with Jose Pozo in Bolivia and has coordinated with him to pay for the making of canes, in country, for the blind school where Ritch, Michael and I visited in the spring. Funds have been sent and canes have been made and distributed. You can see the images of several who have received those canes in the top two pictures to the left, as well as on the back side of this page.

As for traveling plans, board president, Tony Dettle and I, are looking to travel to the Philippines with Regeneration Church in August of 2017 to work with the blind there. Prayer and financial support for the audio Bibles and canes we will be bringing is greatly appreciated.

In closing, I and the entire board of directors, would like to wish you all a blessed holiday season as Thanksgiving, Christmas and New Year's approaches in the coming months. May God continue to provide for all your needs just as He has done for us and so many others around the world. Global Cane would like to remind you that year-end, tax deductible donations are gladly accepted and, as you do your online holiday shopping, please use Amazon Smile to make your purchases as we receive a portion of your purchase as support.

Blessings,  
Bevie
